Brief Job Description

Reporting to the Manager, Liquor Supply & Distribution, this position is primarily responsible for ensuring terms and conditions of the AGLC / Connect Logistics (CLS) operating agreement are being adhered to and monitoring the CLS operations to ensure issues are resolved satisfactorily. The incumbent also works with liquor agencies in reviewing proposed business plans as part of the agency registration process, coordinates agency volume forecasting submissions and ensures any issues are resolved. The Liquor Supply Chain Analyst is responsible for various supply chain and financial analyses and reporting as required.

To be successful in this role, the incumbent must be able to communicate and negotiate with a variety of stakeholders to arrive at satisfactory end results. Will need to work in an ever changing and fast paced supply chain environment that requires quick action and decisions to ensure issues are understood and progress is occurring to resolve them and an ability to research and report on a very timely basis to ensure the Manager and Vice President are kept aware on the status of supply chain and operational deliverables.

Specific Skills / Background Required

• Undergraduate degree in related areas as business, economics and/or supply chain management with a minimum of 2 years related experience in financial analysis.
• Actively enrolled in a program to obtain a Professional Accounting Designation.
• Supply chain / Logistics experience, knowledge of activity-based costing and knowledge of the AGLC Liquor Agency and Retail Liquor Store Handbooks, would be considered assets.

NOTE: An equivalent combination of education and experience may be considered. Candidates with lesser qualifications may be considered at a lower classification and salary. This recruitment may be used to fill future vacancies.
