What you need
to know...

The Alberta Gaming and Liquor Commission offers the Gaming Information for Charitable Groups (GAIN) program to help Alberta charities better understand charitable gaming policies.

GAIN provides essential information to groups that conduct, or want to conduct, charitable gaming activities like bingos, casinos, pull ticket sales or raffles.

If you have questions about:

- the licensing application process
- allowable use of proceeds
- requirements for conducting an event
- submitting financial reports

All sessions are FREE!

The GAIN program currently offers four types of sessions:

- GAIN (overview)
- Use of Proceeds
- Combined (GAIN + Use of Proceeds)
- Casino

The **GAIN session** offers an overview of all policies concerning charitable gaming.

The **Use of Proceeds session** offers specific information about the use of gaming proceeds by charitable groups.

The **Casino session** offers detailed information about the forms required in preparation for your casino event.

Registration is easy and sessions are available throughout the province.

Dates, times and locations are available on the Alberta Gaming and Liquor Commission's website at **aglc.ca**
