Instructions:

- a. At beginning of shift, Cashier completes heading information. In section one, (Cash Fills) enters Fill Slip serial number, time and total value of opening fill.
- b. During shift, Cashier records:
 - all interim cash transfers from Banker (fills) in section one, and
 - all chip transfers to Banker (credits) in section two.
- c. At end of shift/day, Cashier:
 - enters totals for Section one and two.
 - completes section three *Summary*.
 - uses section four as necessary.
 - signs with Banker and Cashiers' Cage Advisor.

[illegible]

MASTER REVENUE REPORT (AG1088)

Prepared by Count Room Advisor assisted by Count Room Supervisor. Used to calculate individual game performance.

Instructions: Count Room Advisor completes heading information and enters:

1. Game type, number and limits, e.g.,
2.

\$1-25	\$2-50
BJ 1	BJ 3
BJ 2	

NOTE: There shall be a separate listing for each game type. After all individual games have been calculated, grand total for each type of game shall be entered on a separate page marked *Summary*.

2. Total opening value of chips/coin from Opener Card.
3. Total value of chips/coin transferred to game.
4. Total value of chips/coin transferred to Banker from game.
5. Total value of chips/coin at game at end of day from Closer Card.
6. T.T.L. (Total Table Liability) is net balance of chips/coin transactions and is calculated as follows:

$$TTL = \boxed{\begin{array}{c} \text{Column} \\ (2) \\ \text{Opener} \end{array}} + \boxed{\begin{array}{c} \text{Column} \\ (3) \\ \text{Fills} \end{array}} - \boxed{\begin{array}{c} \text{Column} \\ (4) \\ \text{Credits} \end{array}} + \boxed{\begin{array}{c} \text{Column} \\ (5) \\ \text{Closer} \end{array}}$$

NOTE: When combined totals of column 2 (opener) and column 3 (fills) are less than total of column 4 (credits) and 5 (closer), this is a negative result and amount entered in T.T.L. column shall be bracketed []. When totalling T.T.L. column this amount is subtracted.

7. Total value of all cash/chips deposited in drop box during day as recorded on Drop Box Count Cards.
- 8/9. To determine whether a game has won or lost for the day, compare the T.T.L. to actual revenue Drop.

- a. **WIN** - if T.T.L. is less than the drop, it is a win, enter the difference between the two in *WIN* column, i.e.

<u>T.T.L.</u>	<u>DROP</u>	<u>WIN</u>	<u>LOSS</u>
\$100	\$200	\$100	--

- b. **LOSS** - If T.T.L. is more than the drop, it is a loss, enter the difference between the two in *LOSS* column, i.e.

<u>T.T.L.</u>	<u>DROP</u>	<u>WIN</u>	<u>LOSS</u>
\$200	\$100	--	\$100

- c. **WIN** - If T.T.L. is a negative [] amount, it is a win, **add** this amount to drop and enter result in *WIN* column, i.e.

<u>T.T.L.</u>	<u>DROP</u>	<u>WIN</u>	<u>LOSS</u>
[\$100]	\$200	\$300	--

10. To calculate *WIN* or *LOSS* percentage, divide *WIN* (8) or *LOSS* (9) by *DROP* (7) and multiply by 100; enter in (10).
11. Count Room Advisor and Count Room Supervisor sign.
12. Reporting poker results on the Master Revenue Report.
 - a. As poker games do not have a house *win*, nor is a *percentage* relevant to the poker revenue figures, poker table activity is reported separately at the end of the Master Revenue Report. Adding the rake and percentage into the overall Master Revenue Report results in wrong *win* and *percentage* figures.
 - b. In order to ensure consistent and valid Master Revenue Reports, casinos operating poker tables report poker results as follows:

Game	Open	Fills	Credits	Closer	T.T.L.	Drop	Win	Loss	%
Csno Tot	50,000	20,000	1,000	40,000	29,000	38,000	9,000	0	24.0
							Rake	xxxx	xxx
Pok 1	5,000	3,000	0	4,000	4,000	4,000	1,875		
Pok 2	10,000	5,000	0	9,000	6,000	6,000	2,950		
Pok Tot	15,000	8,000	0	13,000	10,000	10,000	4,825		

- c. If the Total Table Liability and Drop are not equal an error has occurred. When using this method of balancing, errors or discrepancies are easily detected, and narrows down the possible causes, making the game more secure.
- d. The rake is counted and recorded separately at all times.
 - i. rake box is pulled at the same time as the drop boxes.

COUNT ROOM RECONCILIATION (AG1091)

SECTION: 15. EXPANSION OR RELOCATION OF A CASINO FACILITY

- 15.1.5 AGLC will not assume any of the costs, expenses or liabilities associated with a licensee's application to expand or relocate a licensed casino facility.
- 15.1.6 Unless otherwise agreed to by AGLC, the casino facility licensee is responsible for any costs, expenses or liabilities associated with expanding or relocating a licensed casino facility.

SECTION: 15. EXPANSION OR RELOCATION OF A CASINO FACILITY**15.2 EXPANSION OF A CASINO FACILITY**

15.2.1 In this section, “expansion” means the significant physical expansion of the gaming or non-gaming (public or restricted) areas (see Subsection 4.1.2) in a licensed casino facility as determined by AGLC. Such expansion may include an increase in the building envelope or its outer dimensions (for facility renovations or minor structural changes see Subsection 4.1.6).

Note: A building envelope refers to the outer perimeter of the building in which an existing licensed casino facility is located and includes space rented, leased, subleased, sold or otherwise provided to others in the same building. A building's outer dimensions refer to the building height as well as its envelope.

15.2.2 Approval for the expansion of an existing licensed casino facility may only be issued after the requirements in the following steps are completed in order:

1. Initial Assessment
2. Community Support
3. Approval

15.2.3 If at any time the casino facility licensee decides it no longer wishes to pursue the application for the expansion of its casino facility, it must notify AGLC in writing of its decision to withdraw the application.

STEP 1 – INITIAL ASSESSMENT

15.2.4 A casino facility licensee initiates this step by providing to AGLC a proposal in writing for the expansion of an existing licensed casino facility.

15.2.5 The proposal must contain all required information related to the expansion of the casino facility, including, but not limited to:

- a) a detailed description of the proposed expansion, including all gaming and non-gaming (public or restricted) areas that will be affected;

SECTION: 15. EXPANSION OR RELOCATION OF A CASINO FACILITY

- b) a market assessment, including:
 - i) a three year revenue forecast, including:
 - revenue sources (e.g. slot machines, table games and other revenue sources, such as a hotel, food, beverage services etc.);
 - methods and assumptions used in the market assessment; and
 - a risk assessment.
 - ii) a marketing plan describing how both the financial and non-financial goals will be achieved; and
 - iii) the estimated economic impact to the community (e.g. jobs, tax revenue).
- c) the physical design of the facility, including:
 - i) the legal address, site plans, drawings, blue prints, etc.;
 - ii) the impact on traffic and parking in the area;
 - iii) a description of any additional amenities to the casino such as a hotel, food and beverage services, entertainment etc.;
 - iv) the total number of slot machines, table games and other gaming devices envisioned (see Section 16.2 Slot Machine Allocation);
 - v) a description of the facility's security features; and
 - vi) the construction costs and schedule.
- d) a three year business plan, including:
 - i) pro forma financial statements, including:
 - both income and balance sheet statements;
 - revenue streams broken down by slot machines, table games and other gaming and non-gaming revenue sources;
 - operational expenses categorized and described in detail; and

SECTION: 15. EXPANSION OR RELOCATION OF A CASINO FACILITY

- a set of statements for the casino's operations and a combined set of statements for entire facility if hotel or other amenities exist in the existing facility.
- ii) three year cash flow projections and sensitivity analysis of projections, including the:
 - total financing costs;
 - terms of financing; and
 - total capital (construction) and operational costs.
- iii) the legal structure of the organization, including:
 - a description of any changes in the licensee ownership or legal structure;
 - any new directors or officers of the organization; and
 - if financing is required, who will be the lender and what are the terms of the credit agreement etc.

Note: any change to the legal structure or financial interests of the licensee will be subject to AGLC background checks (see Section 4.9).

15.2.6 Upon receipt of a proposal, which meets all the requirements in Subsection 15.2.5, AGLC will assess and validate the information to determine whether the proposed expansion has merit.

15.2.7 The assessment process will take into consideration factors such as, but not limited to, the:

- a) impact to charities' gaming proceeds should the proposed casino expansion take place;
- b) cannibalization of gaming revenues in the market area and surrounding areas resulting from the proposed casino expansion;

SECTION: 15. EXPANSION OR RELOCATION OF A CASINO FACILITY

15.2.8 The casino facility licensee will be advised if its submission is determined to have merit based on AGLC's assessment of the:

- a) completeness and accuracy of information in the submission;
- b) feasibility of the proposed expansion of the facility;
- c) benefit to charities due to the proposed expansion of the casino facility;
- d) projected gross gaming revenue. A significant proportion of the projected gross gaming revenue is expected to be new gaming revenue and not be drawn from other existing or approved gaming facilities; and

An initial assessment that deems the expansion of an existing licensed casino facility to have merit does not assure the level of success or support of the casino expansion.

15.2.9 If AGLC deems the expansion to have merit, Step Two: Community Support may be initiated.

15.2.10 A proposal deemed to have merit shall not be considered or promoted as an endorsement by AGLC of an expansion of the licensed casino facility.

15.2.11 If AGLC deems the proposed expansion not to have merit, the approval process concludes and the expansion will be rejected.

15.2.12 The casino facility licensee who submitted a proposal that has been rejected by AGLC will be advised in writing of the:

- a) reason(s) for the decision; and
- b) process to appeal AGLC's decision (see Subsection 15.2.27).

STEP 2 – COMMUNITY SUPPORT

15.2.13 Following from Subsection 15.2.9, AGLC may consider the views of the community including the views, if any, expressed by a council in relation to a proposed casino expansion. If AGLC is of the view that the community is not in favour AGLC may refuse to approve a proposed licensed facility expansion at any time throughout the process.

- b) consider any written response of council respecting its views on the proposed expansion of the licensed casino facility in the community.

15.2.15 AGLC will not consider any conditions placed on or attached to a council resolution respecting a casino expansion in the community.

15.2.16 Applicants are required to issue a public notice in the community advising the community of the proposed casino expansion in the community. The advertisement must:

- a) specify the addresses within the community affected by the casino expansion;
- b) be approved by AGLC for its content and layout prior to being published; and

15.2.17 Following from Subsection 15.2.16, the applicant must submit to AGLC a copy of the complete newspaper pages containing the advertisements.

15.2.18 If the council is silent and there is no significant demonstrated opposition respecting the casino expansion in the community, AGLC at its discretion may decide to continue the approval process.

15.2.19 If AGLC at its discretion decides to continue the approval process, Step Three: Approval may be initiated.

STEP 3 – APPROVAL

15.2.22 Following from Subsection 15.2.19, AGLC will make a determination respecting the approval of the proposed expansion of a licensed casino facility.

15.2.23 AGLC may approve the proposed expansion of a licensed casino facility if the casino facility licensee has met all of the other requirements in Section 15.2 and can:

- a) demonstrate compliance with the approved structure and amenity requirements as outlined in the application package;
- b) demonstrate compliance with all provincial and federal legislation, regulation and policies;

15.2.25 AGLC may at its discretion refuse to approve a proposed expansion of a licensed casino facility if:

- c) there is a substantial change to, or circumstance affecting the validity of, the information previously provided; or

 - b) process to appeal AGLC's decision (see Subsection 15.2.27).
- 15.2.27 If the licensee disagrees with the decision of AGLC, it may appeal the decision in writing as follows:
 - a) AGLC's Vice President of Regulatory Services will consider the letter of appeal from the licensee. If the appeal is rejected, the licensee will receive a letter outlining the reason for the decision.
 - b) If the licensee disagrees with the decision of the Vice President of Regulatory Services, it may further appeal the decision in writing to AGLC's Chief Executive Officer.
 - c) The Chief Executive Officer will consider the letter of appeal from the licensee. If the appeal is rejected, the licensee will receive a letter outlining the reason for the decision.

15.3.1 In this section, "relocation" means the relocation of an existing licensed casino facility for the purpose of serving its existing player base or market area; or capturing a new or different player base or market area as determined by AGLC.

15.3.2 Approval for or licensing of the relocation of an existing licensed casino facility may only be issued after the requirements in the following steps are completed in order:

1. Initial Assessment
2. Community Support
3. Approval and Licensing

15.3.3 If at any time the casino facility licensee decides it no longer wishes to pursue the application for the relocation of the casino facility, it must notify AGLC in writing of its decision to withdraw the application.

STEP 1 – INITIAL ASSESSMENT

15.3.4 A casino facility licensee initiates this step by providing to AGLC a proposal in writing for the relocation of an existing licensed casino facility.
