ERS ADMINISTRATOR - REQUIREMENTS

The Electronic Raffle Handbook states:

2.5.1 An individual(s) must be designated as the ERS administrator.

The ERS administrator is a volunteer or paid position as designated by the licensed charitable organization (see Subsection 2.5.2). The ERS administrator must have a level of expertise and requisite training in the operation of the ERS hardware and software (event set-up, reports generation, troubleshooting, etc.).

2.5.2 As defined in section 1 of the Electronic Raffle Handbook, an "electronic raffle system administrator" (or ERS administrator) means a volunteer or paid individual who manages the operation of the ERS hardware and software:

- a) In the case of a volunteer ERS administrator, where the authorized TTV of the raffle is \$100,000 or more the charitable organization must provide with the licence application a criminal record check (dated within the last three months of the application) for the volunteer ERS administrator.
- b) In the case of a paid ERS administrator, where the authorized TTV of the raffle exceeds \$20,000, the paid ERS administrator must hold a valid raffle worker registration as an ERS administrator (see Section 10.2 of The Electronic Raffle Handbook) prior to commencing their duties.

For the purposes of subsection (2.5.2 above), a person does not pass a records check if the person:

- a) has at any time been charged with or convicted of:
 - i. an offence under the *Criminal Code* (Canada), the *Excise Act* (Canada), the *Food and Drugs Act* (Canada);
 - ii. an offence under the *Controlled Drugs and Substances Act* (Canada), other than under section 41 of that Act for possession of any substance included in Schedule II to that Act, or
 - iii. an offence under a foreign Act or regulation that, in the opinion of the Board, is substantially similar to an offence referred to in sub-clause i. or ii.

and, in the opinion of the Board, the offence is sufficiently serious that it may detract from the orderly or lawful conduct of activities authorized by an electronic raffle licence;

- b) has, within the five years prior to being employed by an electronic raffle licensee, been serving a term of imprisonment of three years or more; or
- c) in the opinion of the Board, has committed any act that is contrary to the public interest or that detracts from the integrity with which electronic raffle-related activities are to be conducted in Alberta.

An ERS Administrator must notify the AGLC and the licensee immediately when charged with or convicted of an offence under:

- a) the *Criminal Code* (Canada);
- b) the *Excise Act* (Canada);
- c) the *Food and Drugs Act* (Canada);
- d) the *Controlled Drugs and Substances Act* (Canada);

- e) a foreign Act or Regulation that is substantially similar to an offence referred to in a), b), c) or d) a
- f) the *Gaming, Liquor and Cannabis Act* (Alberta) or *Gaming, Liquor and Cannabis Regulation* (Alberta)

If an ERS Administrator is charged or convicted, as described above, the AGLC may take action including, but not limited to, refusal to register, or suspension or cancellation of the registration.

2.5.3 Training must be provided to the licensed charitable organization and ERS administrator(s) by the registered gaming supplier in the use of the equipment and software it supplies. This includes, but is not limited to, the computer identified as the server, stationary computer terminals/kiosks, a random number generator, handheld computing devices, and all printers.

2.5.4 An ERS administrator must be:

- a) available during ticket sales and present at the draw to offer assistance with the system and volunteers; and
- b) present during a bearer ticket raffle event.

2.5.5 All equipment must be set up prior to the event and the ERS administrator must verify that the ERS is working properly, networks are connected, and the system is configured with event details (date, time, etc.).

2.5.6 Once the ERS is configured and the raffle event is live, only the ERS administrator may:

- a) add or remove authorized accounts to access the ERS (see Subsection 2.6 of the Electronic Raffle Handbook). Any changes made to the ERS must be logged;
- b) provide a temporary password to permit remote access for technical support on the ERS. A discrepancy report, identifying the individual given access and the reason for granting access, must be submitted to AGLC immediately;
- c) restart equipment and adjust settings/parameters during the raffle; and
