<p>First Category 1</p>	<p>ASHLYNN SKIBA Prescott Learning Centre Grade 6 Spruce Grove, Alberta</p>		<p><i>"Impaired driving causes thousands of deaths every year in Canada, and it's not always just the driver who is killed.</i></p> <p><i>I don't think anyone should have to suffer the pain of losing a loved one or someone close because of impaired driving."</i></p>	
<p>Second Category 1</p>	<p>BEN PIRRITANO Wes Hosford Elementary School Grade 6 Sherwood Park, Alberta</p>		<p><i>"I made this bag because it's not only the impaired driver's life that is in danger but other drivers and pedestrians too.</i></p> <p><i>I am hoping that this bag will make people stop and think before they get into a car after they have been drinking. You could be wrecking a family. Was it worth it?"</i></p>	
<p>Third Category 1</p>	<p>ASHTON NICHOLAS Beaverlodge Elementary School Grade 6 Beaverlodge, Alberta</p>		<p><i>"I enjoyed designing the liquor store bags.</i></p> <p><i>I hope these bags make people think before they drink and drive. <p>First Category 2</p>	<p>TYRA MAYGARD Leduc Junior High School Grade 9 Leduc, Alberta</p>		<p><i>"One mistake can be life changing, one moment is all it takes.</i></p> <p><i>A shattered body, person or family can never be the same.</i></p> <p><i>People should know! Just don't drink and drive!"</i></p>	
<p>Second Category 2</p>	<p>JULINA KIM École Montrose Grade 7 Grande Prairie, Alberta</p>		<p><i>"I find it tragic how someone's life could be lost due to a decision that isn't made under their control, because they're being controlled by the alcohol they've consumed.</i></p> <p><i>I feel as if some people forget that statistics showing the amount of deaths from impaired driving represent real people, real lives. I hope this campaign can really make a difference."</i></p>	
<p>Third Category 2</p>	<p>HANNAH EVERS Leduc Junior High School Grade 9 Leduc, Alberta</p>		<p><i>"By making a good decision to not drink and drive you can save lives without putting any at risk. And saving lives makes us all heroes."</i></p>
