

**Before completing the attached Request to Amend Use of Gaming Proceeds, please read the following information:**

An organization may amend its use of gaming proceeds at any time by submitting the request on this form. Prior approval must be obtained before disbursement of proceeds. Organizations disbursing gaming proceeds without prior approval from AGLC may be subject to penalty and/or fine. A use of proceeds not specifically accommodated in AGLC's Charitable Gaming Policies Handbook (CGPH) is considered ineligible.

All programs where gaming proceeds are used, and for which a fee is charged or for which funds are received, must be managed on a cost-recovery basis. Cost recovery means the disbursement of gaming proceeds to pay for program costs is limited to the amount not covered by program revenues.

All amendments must be signed by two current executive members of the organization and include any required support documentation or completed forms.
