Use of Gaming Proceeds

It is not necessary for applicants to specify the intended use of gaming proceeds as part of the gaming licence application. An organization may amend its use of gaming proceeds at any time. A Request to Amend Gaming Proceeds (FORM 5506) must be submitted to AGLC for approval prior to disbursement of proceeds. All amendments must be signed by two current executive members of the organization and include any required support documentation or completed forms.

Gaming proceeds must only be used for AGLC-approved uses essential to the delivery of the group's charitable or religious programs in accordance with AGLC Charitable Gaming Policies Handbook (CGPH). Prior approval must be obtained before disbursement of proceeds. A use of proceeds not specifically accommodated in the CGPH is considered an ineligible use.

Disbursement of gaming proceeds must be made within 24 months of receipt of the proceeds. Any extension of this time period must have prior written approval. All requests to retain proceeds beyond 24 months must include a dollar amount, a project end date for the use of proceeds, and the purpose for which the proceeds will be used. The request must be signed by two current executive members. Complete and submit the Retention of Gaming Funds (FORM 5642), located on AGLC's website at aglc.ca.

All programs where gaming proceeds are used, and for which a fee is charged or for which funds are received, must be managed on a cost-recovery basis. Cost recovery means the use of gaming proceeds to pay for program costs is limited to the amount not covered by program revenues.

The organization's Current Use of Proceeds List will be mailed under separate cover to the organization address to the attention of the Treasurer.

PLEASE KEEP A COPY OF THIS APPLICATION AND ALL SUPPORT DOCUMENTS SUBMITTED.

LICENSING INFORMATION

Alberta Gaming, Liquor & Cannabis (AGLC) is responsible for administering and regulating the gaming industry in Alberta, including the licensing of charitable gaming activities. Only eligible charities or religious groups are licensed.

To apply for a licence, the application form must be complete, and all required supporting documents must be submitted for review. The information must be correct and up-to-date. This will minimize delays in processing requests.

- *Conducting a gaming event without a licence is a Criminal Code offence.*
- *All required financial reports must be up-to-date before new applications are processed.*

AGLC must approve any changes to the approved licence or approved use of proceeds.

GENERAL RAFFLE INFORMATION

- All prizes must be listed on the application.

- Retail value of all prizes must be at least 20% of the total ticket value. Expenses cannot exceed 30%.
- If the prize is used merchandise, two independent appraisals prepared by recognized or licensed appraisers must accompany the application. If the prize is a restored or used vehicle, two certified appraisals and a vehicle inspection report must be provided.
- Other charities or religious groups may be paid a commission to sell tickets. They must use the funds only for approved purposes. No other person or group may be paid to sell tickets.
